Harbor-UCLA Onboarding Go-By

For physicians · Start 90 days before your first rotation week

1st Medical Battalion · 1st Marine Logistics Group · Camp Pendleton

Nine items, in this order

1. **CEF application**
   Online
2. **HR packet**
   Employer: U.S. Navy
3. **Livescan**
   On site, walk-in
4. **SCRA license**
   Only if not CA-licensed
5. **Credentialing packet**
   Email to Lorie Fager
6. **AppCentral**
   Two e-signatures
7. **N95 fit test**
   22 Area PMU
8. **E2 health clearance + CAPR**
   Harbor EHS
9. **Tell Lorie Fager**
   You are done

Plan one day at Harbor for Livescan and CAPR together. Harbor does not privilege 3-year EM graduates.

1 CEF online application

Open: https://apps.dhs.lacounty.gov/cef Use Edge or Firefox; Chrome often fails.

Field	Enter
Assignment type	New Assignment
Sponsor facility	Harbor-UCLA Medical Center
Sponsor division	Emergency Medicine
Sponsor name	Bradley Chappell
Conditions of assignment	All No, except 2 and 2a: Yes

Before you start

Activate your GTCC now. Keep every receipt and course certificate for reimbursement.

2–3 HR packet and Livescan

HR packet

Agency/employer: United States Navy

Position: Physician Emergency, Physician Anesthesiologist, or Physician – General Surgery

You get a Harbor employee number later

Follow the packet's C# instruction; do not put it in any battalion sheet or form

Livescan (fingerprints)

HR, 3 South, 1000 W. Carson St, Torrance

M–F 0800–1600, walk-in only

Call HR first to confirm the machine is working (number in your welcome packet)

Park in structure P2

Bring: Livescan packet, BLS card, passport or driver's license

Off-site only if unavoidable (contact in welcome packet); not reimbursed

When Livescan is done, email Lorie Fager (address in your welcome packet).

4 License: SCRA registration (non-CA license)

Open: https://www.dca.ca.gov/military/federal.shtml

Why

The Servicemembers Civil Relief Act lets a member with a valid license in good standing in another state practice the same profession in California while on military orders. Registering lets you practice without restrictions at Harbor-UCLA. Do it first.

California-licensed physicians skip this step.

5–6 Credentialing packet and AppCentral

Email to Lorie Fager

DHS initial credentialing application request and credentialing information sheet (forms in the welcome packet), plus:

CV · DEA · wallet medical license

Government ID (driver's license, ID or passport)

BLS · ACLS · PALS

Diplomas: medical school, ECFMG if applicable, internship, residency, fellowship

DEA proxy attestation (only if no California DEA and you will prescribe controlled substances)

Military statement of service

AppCentral (email invite)

Create an account when the invite arrives, then e-sign:

1. Medicare Acknowledgement
2. DHS Initial Credentialing Application, with dates for education and work history

Send to

Lorie Fager, Harbor-UCLA credentialing (email in your welcome packet)

7 N95 fit test at 22 Area PMU

How

Harbor-UCLA will not fit test you.

Have a medical provider complete and sign form 716.

Call PMU to schedule.

Pick up a Harbor mask from the 22 Area Safety Office (first door on the right). Pass with one model; wear that model at Harbor.

Harbor-approved N95	Size
Honeywell DF300 / H910 Plus	Standard
Halyard-Kimberly Clark 46827 or 76827	Small
Halyard-Kimberly Clark 46727 or 76727	Regular
Halyard-Kimberly Clark 46767	Regular
3M 8210	Regular

Contacts for the 22 Area Safety Office and Respiratory Program Manager are in your welcome packet.

8 E2 pre-placement clearance and CAPR

E2 forms and instructions: dhs.lacounty.gov › Employee Health Services forms

Requirement	Acceptable evidence
TB	Two negative TSTs 7 days apart within 12 months (dates and mm), or one negative IGRA within 12 months. Positive: result plus a later negative CXR
MMR, varicella	Vaccination records or titers with reference ranges
Hepatitis B	Complete series and positive titer with reference range, or declination
Td/Tdap	Vaccination record or declination
Influenza, COVID-19	Current-season vaccine or declination (packet lists 2023-24; confirm with EHS)
N95	Fit test result on a Harbor-approved mask

Submit

Sign page 3 of the E2 yourself. Every document needs name and DOB. Email to Harbor EHS (address in your welcome packet)

CAPR (ED, ICU, anesthesia)

Walk-in at Harbor EHS, M–F 0700–1700, under 1 hour.

Health records go to Harbor EHS only. Never put them in a battalion sheet, form or email.

9 Close the loop

1. **Tell Lorie Fager**
   Email her when Livescan, credentialing and E2 clearance are each done

2. **Update the tracker**
   Use Update my row in the battalion onboarding emails (90 and 60 days out) to mark items done

3. **Harbor confirms you**
   At 30 days out Harbor's onboarding contact marks you cleared. Not cleared at 21 days means go, replace or drop

Travel, lodging and the week

Orders and lodging

DTS email arrives 60 days out with your cost estimate link (member go-by).

DoubleTree by Hilton, Carson. Book with the hotel link on your GTCC only after DTS is approved. The link expires 30 days before the stay.

Scrubs

EM physicians: your own, solid navy or black.

Surgeons and anesthesiologists: Harbor scrub machines (refundable deposit).

Up to 2 sets on your cost estimate if you need to buy them.

Schedule

6 of 7 days: 3 on, 1 off, 3 on. Mixed day, swing and night shifts.

First week: 1–2 days of orientation.

Per diem covers meals.
